Mississippi Valley Regional Blood Center (MVRBC) is a not-for-profit provider of blood and blood components to hospitals throughout the St. Louis region, and beyond. In our region, MVRBC is the provider to Anderson Hospital, Gateway Regional Medical Center, Saint Anthony's Health Center and St. Joseph's Hospital, as well as the SSM Health Care hospitals (including Cardinal Glennon Children's Hospital) in the Metro West. In 2010, MVRBC merged with Central Illinois Community Blood Center, based in Springfield. Together, the organization serves 75 hospitals in Illinois, Iowa, Missouri and Wisconsin.
